

## **Love Columbia Benevolence Fund Guidelines and Procedures**

### **Introduction and Purpose**

The Love Columbia Benevolence Fund is an officially recognized and designated restricted fund of Riverside Community Church. It fulfills Riverside's mission to be a downtown church making and molding followers of Jesus who love God, love each other, and *especially* love the city of Columbia. We desire to be a community who is generous with our resources and time as we serve those in poverty. We define poverty as broken relationships with God, self, others (individuals & societal systems) and creation. Therefore, we believe we all struggle with poverty and are in need of the saving work of Jesus Christ.

As such, the Love Columbia Benevolence Fund is an approved recipient for designated generosity giving and works in tandem with the Church Benevolence budgeted (.5% of all internal tithes and offerings). Its expenses consist of funds disbursed for its stated and intended purposes at the discretion of the Love Columbia Benevolence Care Team and the Riverside Elder Board, jointly, or their designee(s). Should the Riverside Elder Board vote to close the Benevolence Fund, all money in the Fund will be transferred to the general operating fund of Riverside Community Church.

The purpose of this document is to set forth the responsibilities of the Benevolence Care Team and the guidelines for discharging those responsibilities. It is not intended to cover all circumstances under which funds may be disbursed from the fund, only those that involve the Benevolence Care Team.

The purpose of the Love Columbia Benevolence Fund is to meet people's basic needs in one time emergency situations (crisis relief) or through an on-going development plan (development) with a person and to provide ongoing equipping for Riverside Community Church members and the Benevolence Care Team to fulfill this purpose.

### **Oversight and Accountability**

The Love Columbia Benevolence Care Team is accountable to the Riverside Elder Board\* at Riverside Community Church. Decisions will be made jointly when money over one hundred dollars (\$100) is requested by a person in need. The Riverside Elder Board has ultimate responsibility and accountability for the Love Columbia Benevolence Fund, and will necessarily make decisions to disburse funds from the Fund according to its charter, and subject to these guidelines, without involving the Love Columbia Benevolence Care Team.

\*For purposes of this document, the term “Riverside Elder Board” is the elders of Riverside Community Church, or their official designee. This could be one of the elders who serve as Pastors on Staff making a decision for the entire Elder Board.

In addition, the Love Columbia Benevolence Fund may be the recipient of special offerings to help individuals or groups of people involved in natural disasters or devastating circumstances. Any such offering will be recommended through the Riverside Elder Board regarding the feasibility, propriety, and timing of the offering.

The Love Columbia Benevolence Care Team will maintain records of Intake Forms, decisions of disbursements, and other documentation.

## **Source of Funding**

The Love Columbia Benevolence Fund shall receive income from two sources:

1. Through the receipt of designated giving by individuals and/or families wishing to make a donation to the Love Columbia Benevolence Fund and/or,
2. Through the allocation or transfer of funds from Riverside Community Church General Fund when deemed necessary and appropriate by the Pastoral Leadership.

## **Contributions to the Benevolence Fund**

The leadership of Riverside Community Church encourages partners to minister directly to other partners of the congregation, attendees, or community members, as they become aware of specific needs. However, gifts made directly by a partner to a needy individual or family are not tax-deductible under IRS regulations.

In order to comply with IRS regulations concerning charitable contributions, all gifts to the Love Columbia Benevolence Fund must be unconditional and without personal benefit to the donor.

The administration of the fund, including all disbursements, is subject to the control and discretion of the Riverside Elder Board or their designee(s).

Contributions to the Love Columbia Benevolence Fund may not be earmarked or otherwise designated for a particular purpose(s) or recipients. The Riverside Elder Board may choose, at its discretion, to decline certain contributions that are designated or earmarked.

Contributions to the Love Columbia Benevolence Fund in the form of check should be made payable to Riverside Community Church with a notation in the memo line that the funds are to be placed in the Riverside Love Columbia Benevolence Fund. Contributions may also be made online through the Riverside Community Church giving portal by selecting “Love Columbia Benevolence Fund” from the dropdown box, or through the Love Columbia website.

Donors making contributions to the Benevolence Fund subject to these conditions may be able to deduct their contributions if they itemize deductions on their federal income tax return. The leadership of Riverside recommends that donors consult their individual tax advisor or CPA concerning the appropriate tax treatment of contributions they make to the Love Columbia Benevolence Fund.
