

Riverside Community Church

Riversidecommunitychurch.org

We strive to help as much as possible when someone has a need, but understand we have limited resources as a church. Here are some general guidelines our church abides by: We don't hand out cash, we don't give rides, no repeat gift card requests (unless you are willing to go through the benevolence process), and please no soliciting on church grounds. There are many other organizations in Columbia that are able to help. Please use this list for further resources.

1) Clothes/Food:
